## Ground Skirt for extra security and privacy

### Ground Skirt to prevent pass-onger site hoarding

Steel Hoarding Panels can leave a gap between the hoarding panel and the ground. The Ground Skirt is an additional accessorie to close the gap at the bottom of our Heras Readyhoard hoarding system. It will add privacy of your construction site works and reduce the trespassing of individuals to your property.

- site privacy
- extra security
- professional and tidy look

### A professional finish of your site hoarding line

Each Ground Skirt is 1250mm x 190mm and is securely fixed to the base of Readyhoard hoarding panels. Readyhoard Ground Skirts give your fencing system extra security and privacy and at the same time providing a professional finish and tidy site.
